

## **Gastroenterology Physician Opportunity Princeton, Spring Valley, Peru, and Ottawa Illinois**

*The hospitals are fully equipped with the surgical equipment, office space and staff for a Gastroenterologist to start immediately.*

- Exciting opportunity for a full-time provider, for a large, established Gastroenterology practice covering three local hospitals, which are: Perry Memorial Hospital in Princeton, Illinois Valley Community Hospital in Peru, and St. Margaret's Health in Spring Valley.
- Provider's main location will be Perry Memorial Hospital in Princeton, while providing coverage to Illinois Valley Community Hospital and minimal coverage to St. Margaret's Hospital.
- Two year, income guaranteed base salary plus a work RVU production incentive. Year three compensation based on RVU production model.
- Sign on bonus
- Relocation reimbursed based on the lowest of two bids
- 1:3 Call, 2 day clinic work / 3 day procedures, averaging 10 procedures per day.
- Additional benefits package includes health, dental, retirement options, CME, and Paid Time Off with optional benefits available.
- Excellent opportunity for a board certified or board eligible physician with boards in process (or will be completed within one year) with ERCP skills preferred.
- Average of 2000 procedures and 1500 clinic visits annually.
- Come be a part of these friendly, family-oriented communities. More than a great place to work, these areas offers a great place to live and thrive. With a location in the heart of the Illinois Valley, you'll experience all the benefits of small town life, plus the convenience of being close to major metropolitans areas like Chicago.
